

Reset User Pass in IAM

1. Log on to accounts.plex.com

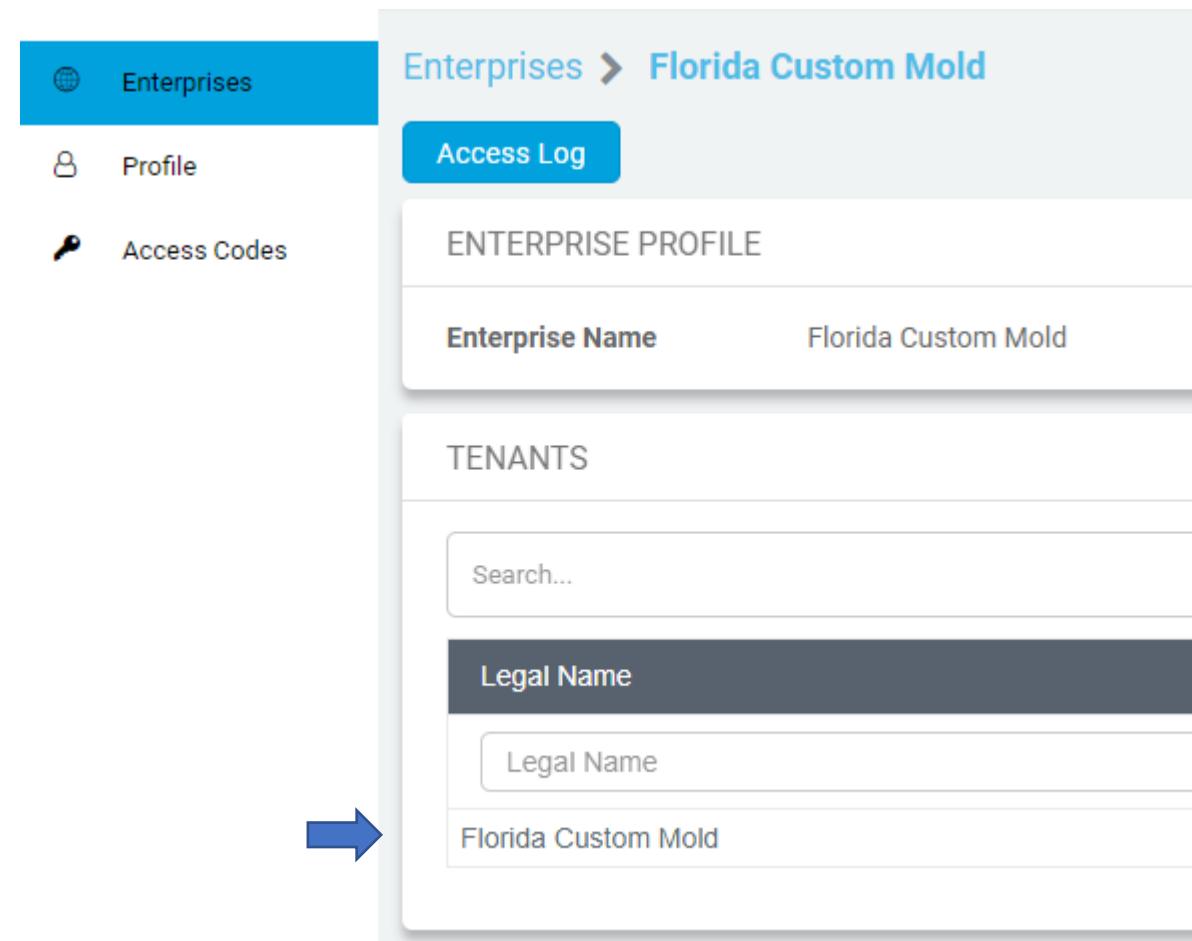

2. Select **Enterprises** then **Florida Custom Mold**

Reset User Pass in IAM

3. Select **Florida Custom Mold** again under TENANTS

The screenshot shows the IAM interface with a sidebar on the left and a main content area on the right.

Left Sidebar:

- Enterprises** (selected, highlighted in blue)
- Profile**
- Access Codes**

Main Content Area:

- Enterprise Profile:** Shows the **Enterprise Name** as **Florida Custom Mold**.
- TENANTS:** A search bar with placeholder text **Search...** and a list of tenants. The first tenant listed is **Legal Name**, which is highlighted in a dark grey box. Below it is a list item **Florida Custom Mold**.

A blue arrow points from the text "3. Select Florida Custom Mold again under TENANTS" to the **Florida Custom Mold** entry in the TENANTS list.

Reset User Pass in IAM

Create

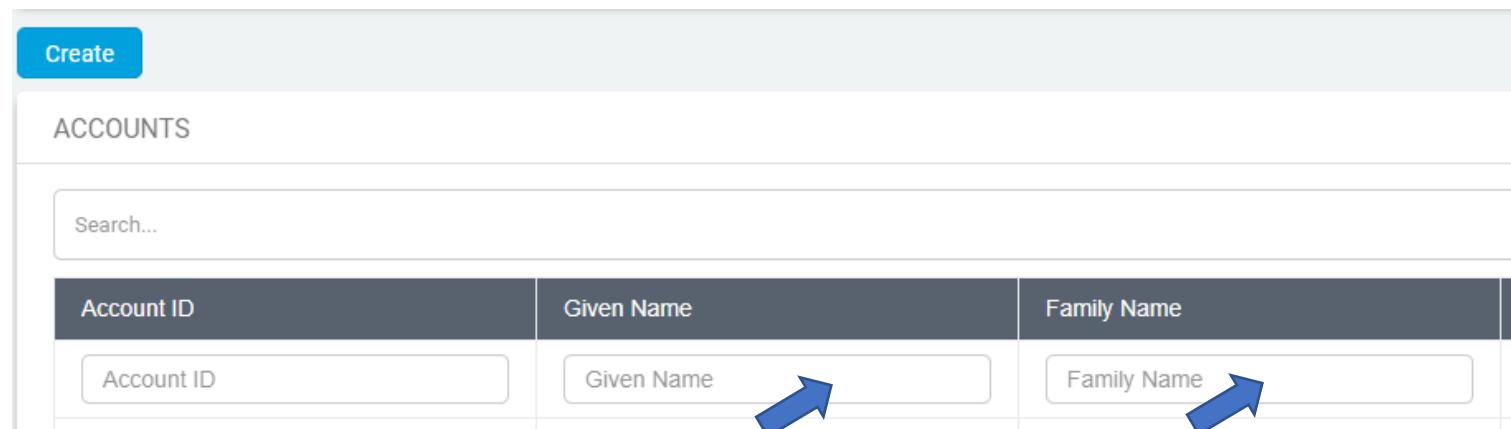

ACCOUNTS

Search...

Account ID	Given Name	Family Name
Account ID	Given Name	Family Name

4.0 Find and select user or use these field to filter

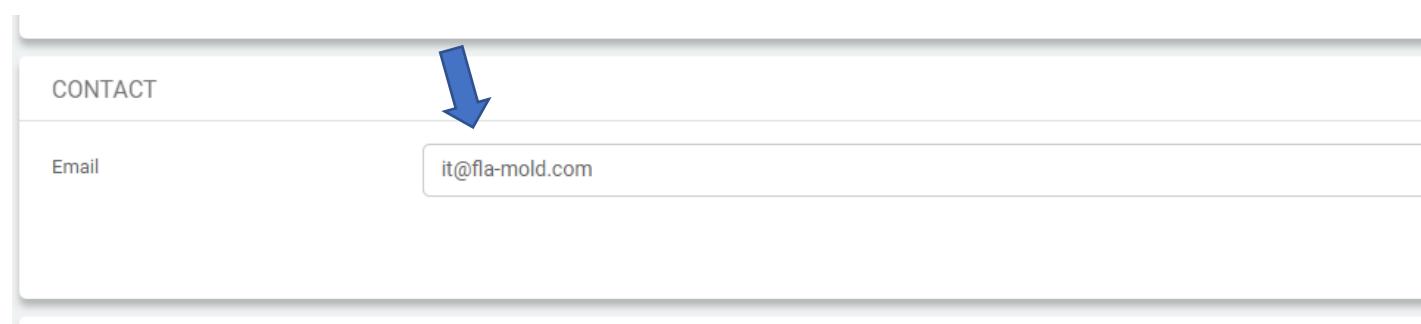

5.0 Enter an e-mail address to receive password reset link.
Probably easier if you use your own instead of asking the user.
